

# WELCOME TO THE 2017 ANNUAL SPRING FLING GOODS & SERVICES AUCTION

## SCHEDULE OF EVENTS

- 6 PM Arrival, Refreshments, and Silent Auction Bidding  
7:30 PM Close of Silent Auction  
7:45 PM Live Auction

## FIXED PRICE ITEMS

All of the dinners and many activities are fixed price. If you want to attend one, simply fill your bid number in on the lines provided. When all of the spaces are full, the bidding is over for that item.

## \$12 GAME

New! There are some fun, smaller items with a bidding twist. Bidding starts at \$1 and is capped at \$12. Bids may only be raised \$1 at a time and you cannot outbid yourself or a family member. The person who gets to \$12 first (or a lower highest bid) or wins.

## TAKE AWAY TABLE ITEMS

If you are the winning bidder on an item that is displayed, *we expect you to take the item home with you.* If you win a takeaway item (sweater, picture, certificate, etc.) they will be distributed to the winners at the close of the silent auction.

## UNDER \$20

All auction items that are \$20 or less regardless of what category they may fall into are grouped together so they are easy to find.

## PAYMENT

All items will be invoiced via email after the auction. We will not take any money the evening of the event.

If you are a guest, please make sure the check-in people have your full name, email address and phone number.

## GENERAL GUIDELINES FOR THE SILENT AUCTION

Very Important — Please write legibly and use the correct bidding number. We cannot stress this enough!

Each person will be given a bidding number at the check-in table. If you want to bid as a couple, choose one ticket number to use throughout the evening.

You will find items posted one per bid sheet and arranged by category. Write your bid number and bid amount on first blank line down. Again, please, please, please write legibly!!

All items have minimum bids so pay attention to the bid cards. All bids **MUST** be above the minimum and in whole dollars.

To raise your bid, enter your bid number and new bid **ON THE NEXT AVAILABLE BLANK LINE.** *Do not change your bid on your earlier entries.* Enter your **NEW** higher bid on the next available line.

**\*NOTE\*** Some items have minimum bid increments to make the bidding more efficient. For example, the bid increment is \$5. That means if you want to outbid someone, your bid must be at least \$5 more than the current highest bid. Any required increments will be clearly marked on the bid sheet.

**\*NOTE\*** Some items have "Buy It Now" prices. If it's something you just have to have and you don't want to wait around and risk being outbid, agree to pay the Buy It Now price and the item is yours.

### **705 Therapeutic Touch Healing Sessions**

Therapeutic Touch is a contemporary healing modality that evolved from the process of laying-on of hands. Based on the assumptions that human beings are complex fields of energy and that the ability to enhance healing in others is a natural human potential, Therapeutic Touch is used to balance and promote the flow of human energy. Dave has been practicing Therapeutic Touch for more than ten years. He practices this non-contact healing modality with the person he is treating sitting upright in a chair while he performs the steps of the Therapeutic Touch process. Each session is about 20 minutes in length.
